Solomons Island Yacht Club Newsletter

"One of the Friendliest Yacht Clubs on the Bay"

September, 2018

## Commodore's Corner

As I enter my 9<sup>th</sup> month as Commodore, I can reflect on a very positive experience thanks to great support from our members. The club has prospered thanks to your attendance while enjoying the many club activities. Much of our success is due to the efforts of several members who always step up to plan and organize events, who keep the club maintained and functioning well, who host our many visitors from other yacht clubs, who volunteer behind the bar to keep you hydrated, who keep the club beautiful inside and landscaped outside, who manage our Membership program, who plan and manage our finances, who keep us informed with our newsletter and yearbook and photo book and website, and who represent you on the Bridge and Board. A prime example is our Social Committee, led by Susan Smith, who has planned our many special monthly special events. Susan went beyond the "call of duty" in organizing and conducting the fantastic Cruise to Solomons weekend in August. We all had a blast thanks to her tremendous imagination in games and prizes! The breakfast casseroles were delicious. Thank you, Susan, for your tireless dedication! And thanks to all who helped her as cooks, judges, and cat-herders!

Speaking of thanks, Carol and I look forward to thanking all members when we host the Commodore's Dinner on Saturday, September 22, at 6pm. Please join us for a complimentary BBQ pork dinner with all the trimmings (guests \$15). You can sign-up in the lounge or on the website by Sept. 19.

Finally, mark your calendars for our Annual Membership Meeting and dinner on Saturday, September 8<sup>th</sup>, starting at 3pm. You should have already received an advance mailing describing the voting for next year's officers and Board, 2019 dues, and several by-law amendments. Please familiarize yourself with the candidates and proposals. And remember, you must be present to vote.

## Vice Commodore's Corner

While August was not as busy as July, we still had a rip-roaring club schedule. We enjoyed twelve meals, including the member-supplied goodies for the Okays' Travel Talk and the appetizers at the August Birthday celebration. At this writing we are expecting on 30 August to have pulled off a real surprise for Kermit Dykes' 104<sup>th</sup> birthday. My, wouldn't we all wish to be going as strongly as he as we reach our real golden years!

## Vice Commodore's Corner

(Cont'd.)

We look forward to the results of our annual membership meeting and pray that everyone is comfortable with your slate of candidates. A strong and sincere thanks to Mike Buchko and his nominations committee of the BOG for their hard work in producing a quality list.

Let me say prematurely how everyone in our club owes a great big thank you to our House Chair Rick Sass. After three strenuous years of activity and general "minding the store," Rick has announced that he will not continue in this position for a fourth year. As much as I will personally grieve over his "retirement" he certainly has earned his respite. Again, thanks, Rick, for everything you do!

Enjoy the rest of the summer. I smell football in the air!

## Rear Commodore's Corner

This is the Vice Commodore filling in for Mike Stanton who is still out of town attending a family wedding.

Thank you to John and Judy Okay for their travel talk on Australia and New Zealand. It was a great program and a full house. We were visited by many loopers thanks to Doug Smith. Thank you to Bob and Nancy Kuzmick and Kat Tyrrell and Jerry Budnick for putting together an awesome Steak and Tuna Dinner. Over 150 members and their families and guests attended. The Taco team has authorized me to announce that Kat Tyrrell and Jerry Budnick are now members of our coveted Taco Team—welcome aboard. All members are reminded that we need you to sign up for the September 3 Labor Day picnic. The club will open at 2 pm

## Rear Commodore's Corner

and dinner commences at 5 pm. Instead of our normal grilled meats, Marge is putting together a steamed seafood feast (plus kielbasa). It's going to be a special treat and the cost is only \$20. BUT PLEASE SIGN UP!

Additionally, the pork loin BOG dinner on September 8 also requires you to sign up. You can register for each meal either in the Captain's Lounge or online. While the BOG dinner is free, since it is considered a part of our annual membership meeting, we still need you to register. This meal is for members only.

## Fleet Captain's Corner

August was one of the busiest months for cruises both from SIYC and to SIYC. We kicked off with the Club cruise to SIYC. This event saw the pier full with member boats. Despite having to cancel the docking contest, the cruise was a great success both in attendance and the fun that was had by all. I'm certain Susan Smith the cruise leader will have more to say about this cruise.

The cruise to SIYC was followed by another visit by 8 boats from the Motor Trawler Owners' Association. Thanks goes to Dennis Chandler for filling in for me while I was away on business. Assisted by several Club members, he managed to get everyone in place in short order.

Next was our always popular cruise to White Point. Once again, we were treated to terrific crab feast and entertained by an awesome group. Even the rain cooperated holding off until we'd almost finished. Kudos to Gary Gateau for leading this cruise.

### PIER REPORT

Transient visits have started to pickup after a lull in July. We are again seeing loopers pass by on their way around the loop. I hope you've had a chance to meet with some of our transients as they include some very interesting persons with varied backgrounds. We even had an impromptu musical evening courtesy of one of our transients!

Also, thanks to everyone who has helped with making them feel at home. I keep hearing how friendly we are and how our visitors can't wait to get back.

You may want to check out PropTalk as the Club is featured in it. A copy is posted on the bulletin board at the Club.

**Our cruise to Wicomico YC is** scheduled for September 14 and 15. Please signup ASAP for this cruise. It's a very popular event and the Wicomico Club would appreciate as much notice as possible to ensure they have adequate space and more importantly CRABS!

**Yes, the 15th is their crab feast not to be missed!**

## SPECIAL THOUGHTS

The Bridge, Board of Governors and General Membership would like to extend our get well wishes and special thoughts to Buzz Milan, Dottie Swann, Kermit Dyke, Rex Miller and Jean Murray.

## ARTIST WALL

The artist wall will continue this month organized by Susan Buckley. The artist wall will be changed at 10 AM on September 8. The theme for September and October will be flowers, so those that are picking up their art from last month, bring your flower pictures to hang through October.

([slstevab2@comcast.net](mailto:slstevab2@comcast.net)). Sue Stevenson will coordinate the wall and mantel in November and December with a bird and waterfowl theme.

The mantle will be carved waterfowl from our carving members. Bring your birds at 10 AM on September 8th. Thanks to John Okay for handling the art wall these last 2 months.

**Volunteer bartenders  
always needed.**

**Please sign up in the  
lounge.**

## Visit The Maryland Dove at SIYC

*The Maryland Dove* will stay overnight at the SIYC dock for two different Wednesday dates: Sept. 5 and 12. During those evenings approximately 5-7pm, the ship's crew will host free topside tours for SIYC members and their guests.

SIYC will host the ship on her way to and from Cambridge and Oxford on Maryland's Eastern Shore on the Choptank River. The purpose of the ship in general, and this trip especially, is to educate visitors about 17th-century Maryland life and transportation --the time when St. Mary's City was the capital of the new colony. *The Maryland Dove* is normally exhibited at Historic St. Mary's City, the living history museum of Maryland's first capital, but occasionally travels for educational programs. The ship was built 40 years ago (launched in 1978) outside Cambridge.

For more information, see [hsmcdigshistory.org/](http://hsmcdigshistory.org/).

It is the set  
of the sails,  
not the direction  
of the wind  
that determines  
which way we will go.

If anyone would like to add a picture, it is not too late for Tony to add them to the slide show. Please email him the picture to [ab2@psu.edu](mailto:ab2@psu.edu)

### Memories of Our “Cruise to SIYC” Weekend

I want to thank everyone who either participated or contributed to a very entertaining weekend. To start off we had to change some plans because of a **MUTINY** from our cruisers! Docking of the boats became a bit intimidating with the size of both boats and slips. I can’t blame anyone. It would have been more like bumper cars at a carnival. Almost everyone came early to sneak past the judges so by the time I got there to oversee, they were DOCKED!! Now I had a big bag of prizes that some establishments donated to us, so we regrouped. I made the Captains and first mates play Precision Frisbee, with an alcoholic beverage in their other hand! I thought I would help run the bar proceeds up. We were having so much fun that we opened up the game to anyone who wanted to be judged on their Frisbee skills.

Our **WINNERS** were:

1st Barbara Bates & Tom Krand - \$25 Fuel Certificate from Solomons Yachting Center

2nd Butch Garren & Tom Stoddard - \$20 SIYC Certificate

3rd Sue Stevenson & Sharon Hayden - Presto Bucket

4th Diane & Bobby Boyle - 4 SIYC Boat Glasses from The Redfield’s

5th Tom & Janey Nodeen - Casual Boat Shirt - Zahniser’s Yachting Center

Last Place - Craig Sellers & Cindy Redfield - Box of Kleenex! Keep on Practicing!

Each one of the first mates got a drink chip.

## SOCIAL COMMITTEE REPORT

(Cont'd.)

Later after our game we had Doctails at the Crab Shack with **Al Redfield** making his delicious **Rum Punch** and **Craig Sellers** providing us with music to groove by. We had a lot of over the top appetizers, in which we ate every last one and still were able to eat dinner. Thank you to all who brought one. We then followed with a **BLOW OUT STEAK AND TUNA** dinner. This was superbly provided by **Bob & Nancy Kuzmick and Kat Tyrell & Jerry Budnick**. I asked them if they would kick off the cruise weekend with this dinner and of course they always give us a big "YES". Please everyone give them a big thank you for another fabulous dinner.

I understand our cruisers stayed up very late partying in the club, but remember "What happens on cruise weekend at SIYC, stays in SIYC!!

**Saturday morning started off with a delicious breakfast for the Cruiser's provided by Kathy Hoskins, Terrie Johnston, Judy Okay & me :-)** . We were happy to wake up our very tired partiers to be fueled up for a day of games.

We started the day with a **Scavenger Hunt** by watercraft from 10-12 noon. They were only allowed to go 6 miles an hour, of which I must report no one but **Carolyn Keefe** followed that rule! They had 42 objects to locate and identify, with my custom made SIYC STICK, and photograph on their phones. They were allowed to take as many passengers as they wanted to help them with extra eyes. They had 2 hours to complete this list. They had to find as many objects in the shortest amount of time to win a prize. I must say they were all very anxious, to peel out of slips except for one boat, not going to mention his name **BOB THOMPSON**, that found it necessary to leave his crew on the dock waiting 10 minutes for him, after everybody left, while he retrieved a boat and his cooler with BEVERAGES?!?!)

(Hey Bob, this was a timed event)

Anyway here are the **WINNERS**:

1st Linda Barrett plus 5 crew - \$25.00 Fuel Certificate Solomons Yachting Center & drink chips

2nd Sharon Hayden plus 3 crew - \$25.00 Bunky's certificate

3rd Bob Thompson plus 2 crew - \$25.00 Sneade's Ace Hardware Certificate

4th Carolyn Keefe plus 2 crew - Gift bag full of gifts from Spring Cove Marina.

LAST PLACE Rick Sass plus 3 crew - Container of MONKEY BUTT

At 12 noon our Hot Dog Cookers, **Bruce Dickinson & Doug Smith** were in full swing with 100 hot dogs barking at us. They supplied us all day with their culinary delight!! Thank you guys.

## SOCIAL COMMITTEE REPORT

(Cont'd.)

Our next game was a **Cornhole Tournament** lead by **Gary and Bonnie Gateau**. Thank you to all who brought their cornhole games for us to use. It was a big help having multiple games. Having done this event once before with our club, this is not an easy task to keep you all organized and present. That is why I ask the Gateau's to help me with this, they were totally unaware of the challenge I had for them!!! It was quite comical watching them sign up all the teams and then as they called you to play, different people had either gone home to walk dogs or gone to their boat or was lost in the club bar or had changed their mind and decided not to play but then we found some that now wanted to play!! Even though Gary threaten to quit he figured out a way to make it all work and accepted the challenge! WAY TO GO **GATEAU'S**. YOU WERE **AWESOME** AND MADE IT A FUN EVENT. THANK YOU! Everyone had a good time playing and watching and cheering the teams on.

The **WINNERS** were:

1st Hoot Gibson & Kathy Hoskins - Bottle of Wine each

2nd Doug Moore & Michelle Perrie - Bottle of Wine each

3rd Steve Perrie & Bob Lightstone - Bottle of Wine each

4th Doug Smith & Ro Moore - Drink Chip each

LAST PLACE Al Redfield & Nikki Goodman - Container of **FRUITY BOOTY** each

Since we were all hot we decided to play 2 quick games of **Water Balloon Toss** and a very short water balloon fight with the left overs.

**WINNERS** were:

1st - Game - Ginger and her favorite Godson Wade Price - \$15.00 SIYC Certificate each

2nd - Game - Bonnie & Gary Gateau - Cocktail Napkins each that said "Let's Get Naughty"

We ran out of time & energy to play the other two outside games I had organized to torture you all with, but don't worry I'll pull them out when you least expect it. It was hot so we rethought Docktails at the Crab Shack and moved into the club to share appetizers and more of **Al Redfield's** Rum Punch.

We had our 50/50 drawing and the **WINNER** was **Kathy Hoskins**, \$136.00 going to her and a \$136.00 going to the club. **Kathy** was a very generous winner because she donated HALF of her winnings to our bar tender **Kim**, who was having a very busy day keeping us in drink!!

Now that we had refilled our glasses with Rum Punch had a plate of delicious appetizers in hand we were ready to play our final game of **Elephant Walk**. It is amazing what I can get you all to do with just a little liquor and prizes. Remember nothing should be posted on **FACEBOOK**! We keep it at SIYC.

## SOCIAL COMMITTEE REPORT

(Cont'd.)

Object of this game was to knock down as many water bottles with pantyhose on your head with a ball in one leg dangling in front of you, with your hands behind your back in the shortest amount of time under one minute!!!

Our **WINNERS FOR ELEPHANT WALK** were:

1st Mike Snapp - 10 Bottles in 17.45 seconds - \$25 Cert. to Ace Hardware  
2nd Ben Hagar (A Visiting Looper) - 10 Bottles in 22.96 seconds - \$25 Cert. to EZ Thai  
3rd Bob Kuzmick - 10 Bottles in 23.90 seconds - \$15 SIYC Certificate  
4th Craig Sellers - 10 Bottles in 25.91 seconds - Beach Towel Corner Holders  
5th Bonnie Gateau - 10 Bottles in 29.26 seconds - 4 SIYC Boat Glasses  
LAST PLACE - Nancy Kuzmick—7 Bottles in 60 seconds - Container of MONKEY BUTT

It was a day with a lot of winners and a lot of fun was had by all.

Sunday was another fantastic Breakfast cook by **Marge & Paula** for us all to enjoy and talk about another successful weekend at SIYC.

I want to **Thank Everyone** who helped me in putting this on. See you all at SIYC.

Brain Teaser: When can you add two to eleven and get one?

**Answer will be in next months Solomon Sez.**

### Volunteer Proof Readers/Editors needed for 2019 Yearbook

The yearbook is a very important resource of information that we all use and enjoy. The Yearbook Committee is forming a new team and is in need of proof readers/editors. The duties are: proof read and make necessary text edits on select sections in yearbook. A basic understanding of Microsoft Word and Emailing (receive, open, edit, attach, print, and send documents). Time duration: January – March. For more information contact, Kat Tyrrell at [ktyrrell2@comcast.net](mailto:ktyrrell2@comcast.net)

### **Last month's WINNER was Bobby Boyle.**

The question was: In British Columbia, you cannot take a picture of a man with a wooden leg. Why not?

**The Answer is: You cannot take a picture with a wooden leg, you need a camera.**

The first person to give Susan Smith

[susanmogansmith@yahoo.com](mailto:susanmogansmith@yahoo.com) the correct answer gets a bar chip for a drink!
