Commodore's Corner

Thanks to all who attended our Annual Membership Meeting on September 8th and who voted for next year's officers and Board, 2019 dues, and several by-law amendments. One key approved amendment was the creation of a new Senior Member category for those members who reach the milestones of 25 years of membership and 85 years young! We have already had our first application to be a charter member in 2019! If you meet the 25/85 criteria in 2018, be sure to apply to the Secretary before January 1st so you can enjoy the 50% dues reduction.

September ended on a sad note with the passing of Tim Cober after a courageous 4-year battle with cancer. Please join us in offering our prayers and sympathy to Jan and their sons Tim Jr. and Rick and their families.

October will be a busy month starting with Patuxent River Appreciation Days (PRAD) on October 6-7. Be sure to visit the island to enjoy the Museum activities and visit the club. Princess Lilly will be here Sunday to represent SIYC in the parade, followed by our chili cook-off. On October 13th our many club volunteers

are invited to once again enjoy the *4 on the Floor with Overdrive* rockabilly band at the Volunteer Party. Stay tuned and watch the calendars for the many other activities coming in October.

Vice Commodore's Corner

Well, Fall has fallen and the leaves will soon be turning and we are all engulfed in football games. At SIYC, Fall brings the Volunteer Party, the Commodore's Ball, and many other fun and noteworthy events

Again, thanks to all club members who actively participate in not only the special events but also in the day-to-day maintenance of the club. A special thanks to Kat Tyrrell and Brenda Knight for pulling together the first ever new members lunch so that the newest amongst us can learn from the various committee chairs what those committee duties are and how the newbies can serve the club. If you missed this event or somehow were not included, please give one of these ladies a call to be filled in on opportunities in which you may serve.

I thank all the members for having the faith and confidence to elect me as your new 2019 commodore. I very much look forward to leading the club beginning in January.

Rear Commodore's Corner

September was another awesome month at SIYC. The Labor Day picnic was well attended and Marge's Steamer basket was one fantastic platter of seafood and much more. Thank you to Mark and Lucy Tonacci for coordinating the Maryland Doves visit to SIYC. We had a very good turnout of over 45 members that toured to vessel. Our annual membership meeting was another great turnout and supported by over 125 member. We enjoyed travel presentation on Europe hosted by Craig Sellers, and Austria hosted by Carolyn Keefe. The Commodores Thank You dinner was again a huge success enjoyed by 125 members, and the food was fantastic. Thank you, Commodore Mike Snapp. We ended the month with the SIYC golf outing, which was also well attended. Many thanks to Ralph Swartwood and his team for another excellent event, and to all prize contributors. October is looking to be as great. We hope to see you at SIYC.

Fleet Captain's Corner

The weather gods weren't kind to us this September. With the month starting hotter than usual and then the prospects of Florence, the pier utilization has dropped to only a few boats this month. The annual cruise to the crab feast at WYC was rescheduled because of hurricane Florence causing much consternation. Unfortunately, the rescheduled date coincided with the Commodore's party on the 22nd, resulting in our absence from this outstanding event at our sister club. Hopefully, next year won't be a repeat.

Florence also left her mark on SIYC. High tides, wind, and rain from Florence caused some damage to the decking on the north pier. Thanks to John Simpson and his crew, the damage was quickly repaired. The damage revealed the need for deck refurbishment. Next spring we're budgeting for some major rework of the decking. While John repaired what he could find there may be some loose boards remaining. Please be careful when using the North pier.

There was still hope, though, for September the sun rose for the Poker Run on the 29th. Thanks to Sharon Hayden, the cruise leader, for an outstanding event. More players than ever!

SPECIAL THOUGHTS

The Bridge, Board of Governors, and General Membership would like to extend our condolences to Jan Cober and her family for the passing of her husband, Tim. Cobers have been members since 2009. We extend get well wishes and special thoughts to Tammy Strouth, Tom Stoddard and John Zalusky. Also. congratulations to P/C Skip and Linda Barrett on the birth of their grandson. And, congratulations to Barbara Barrett on the birth of her great-grandson.

Volunteer bartenders always needed.

Please sign up in the lounge.
