Commodore's Corner

April 21 witnessed the Club's annual Easter Sunrise service. Thanks are especially extended to Fleet Chaplain Jane Connelly for her prayers and her sermon, Carol Snapp for reading the scripture, Brenda Knight for planning the program brochure, Mike Stanton for picking up the program, and some lame singer for leading the hymns. Thanks to the forty-something club members and their families for attending.

We are very much looking forward to the May 18 Princess Cocktail Party where SIYC will honor our new princess, Alena Martin. Please sign up as soon as you read this and get your \$40 per person payment into the Vice Commodore as soon as possible. Mike Stanton is working diligently to ensure that the May 19 opening day is a smashing success. We hope everyone has cleared his or her calendar to join us on one of the Club's most important days of the year.

Let me add my voice to those who will be extending a muchas gracias to all those club members who came to the club for our annual Spring clean up. The willingness of all of you who chipped in that day are a sign of the spirit of this club, who make it better, and who help unite us as a community. My special thanks go

to Ollie Kangas who has spent many hours and several days to properly prepare and expertly paint the floor of the crab shack. This is especially true given the efforts by Anissa Hutchins and Monica Simpson to renovate and decorate that structure to give it new life.

We have put new signage up at the entrance to the piers and have added language to the room rental contract to ensure that non-club members stay off the piers, especially in large numbers, and to reduce our liability. The unfortunate pier collapse of three years ago resulted in a quarter of a million dollar judgement against us. While our insurance covered it, our rates went up and are likely to do so again.

I've had a chance to preview the new SIYC yearbook edited by Kat Tyrrell and Pat Healy. It is presently at the printer and should be available to you shortly at the Club. Rest assured, you will be impressed. The editors and their team did one heck of a job preparing a first rate product. Congratulations Kat and Pat!

Lastly, I would like to publicly thank Vice Commodore Mike Stanton for filling in for both Brenda and me recently while we each recovered from respective medical procedures. Thanks Mike, for backing us up!

Vice Commodore's Corner

April turned out to be another awesome month at SIYC. First I would like to thank all of our members who volunteered their time to insure the SIYC runs smoothly. Without your commitment to our club we would not be the outstanding club that we are. The month started out with a great BOG dinner of Cornish Hens thanks to Marge. Spring clean up was another well attended event at SIYC and the club looks fantastic. Our annual Easter Sunrise Service was again a huge success and so was the breakfast. Susan Smith knocked another one out of the park with the Spring Dance and Tiki Bar opening. Thank you Susan and her group that spent hours and hours putting the event together. It was a fun filled evening for all that attended. May is going to be another fun packed month, so keep your eye on the SIYC event calendar so you don't miss a thing. We hope to see you at SIYC.

Rear Commodore's Corner

April was another busy month at SIYC that began on the first Sunday with Rob Plant's Wine & Cheese Tasting. Rob provided members with five new delicious wines for tasting that paired perfectly with the cheeses and fresh fruits offered. With each served, Rob provided in-depth information about the wines. Several members told me afterwards that they had immensely enjoyed Rob's Wine & Cheese Tasting event, while others stated that it was the best event of its kind that they'd ever attended. The only drawback were the number of "No Shows" for people who had signed up for the

dinner and didn't if you don't contact me ahead of time that they were unable to attend. We understand that emergencies arise from time to time, but please contact me, either by a phone call, text or email if you are unable to attend. In the case of this event, Rob Plant provided the wines and foods to cover the number of people who signed up. When there are "No Shows", it's a loss of revenue for either Rob or the Club. Please keep in mind that if you sign up for an event and don't show up, the Rear Commodore may send you a notice to pay the cost of these lost revenues.

We offered ten great dinners for Club members in April that were well attended. Two of these meals were complimentary: the luncheon after the Spring Clean Up, and the breakfast after the Easter Sunrise Service. Once again, special thanks go out to the Taco Team (Larry Reich, Larry Langfeldt, Dennis Lawson, Ted Catchings, plus Kat Tyrrell and Jerry Budnick, the official Taco bartenders) for bringing in a record number of people for this favorite meal. The second R/C Pizza Night offered Ledo's pizza and was once again open to all Wait List applicants. There was no dinner meal offered on Saturday evenings due to the Spring Clean Up on April 13, and the Saturday, between Good Friday's Crab Cakes and the complimentary breakfast following the Easter Sunrise Service.

At Vice Commodore Mike Stanton's suggestion, the Club began to open the upstairs bar on Monday nights to allow our members to enjoy the view from the upstairs bar area. V/C Stanton stood behind his suggestion and took on the responsibility of carrying the barstools from the Captain's Lounge to the upstairs bar area before Monday evenings and then returning the bar stools to the Captain's Lounge on Tuesday before the Captain's Lounge opens. The trial period for opening the upstairs bar on Mondays ended April 22 and will only be reopened on the Monday's when there is a Travel Talk upstairs. I'd like to thank V/C Stanton for taking on this venture with his already busy schedule.

The Spring Clean Up went exceptionally well. This event would not have been successful if it weren't for the members who showed up to clean. Thank you to everyone who showed up to help. By noon that day, the Club was sparkling clean and the outside grounds were beautiful. Thank you to everyone who participated. It's a great feeling of accomplishment to have a clean Clubhouse with the help of volunteers working inside and out. Outside, the Landscape Committee completely refurbished the planting areas and grounds.

May is the month that the Club brings out the grills for two special picnics (Opening Day on May 19 and Memorial Day on May 27), the Princess Cocktail Party on May 18 and the numerous Opening Day events on May 19.

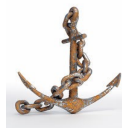

Monday May 13, is the Spring Golf Outing at Chesapeake Hills, hosted by Ralph Swartwood, for \$55.00, which includes everything, including the buffet at SIYC afterwards. This is a sign up and prepay event. Payment envelopes are available in the Captain's Lounge. Place payment envelopes in the R/C Inbox, no later than Friday, May 10. Sign up is available for the buffet only afterwards for \$15.00, which may be paid on that day.

May 18, is the Princess Cocktail Party to honor this year's Princess, Alena Martin, beginning at 6:00 PM for \$40.00. See the May calendar menu for the complete list of heavy Hors d'Oeuvres being served. RSVP invitations to the Princess Cocktail Party will be mailed soon. Prepayment envelopes are available in the Captain's Lounge. Place payment envelopes in the R/C Inbox no later than May 14, 2019.

May 19, on Opening Day, a complimentary luncheon will be served at the Club at noon following the Watermen's Memorial and the picnic begins at 5:00 PM at \$10.00 for adults and \$5.00 for children under 12 years of age. Sign up is required for the picnic, no later than COB May

May 25, is the Memorial Day Picnic that begins at 5:00 PM at \$10.00 for adults and \$5.00 for children under 12 years of age. Sign up is required no later than COB May 22.

I want to express my special thanks to everyone, but special mention goes out to V/C Mike Stanton and my husband the Commodore, who helped keep the Club running smoothly during my recuperation period due to followup surgery to remove the two stents from my pancreas and bile duct.

Fleet Captain's Corner

It's hard to believe but the boating season is finally upon us. Thanks to Dennis Chandler and Al Redfield as well as many others, the pier is open and operational. Don't forget each member is entitled to two days per quarter free overnight dockage as well as \$10 per night after that.

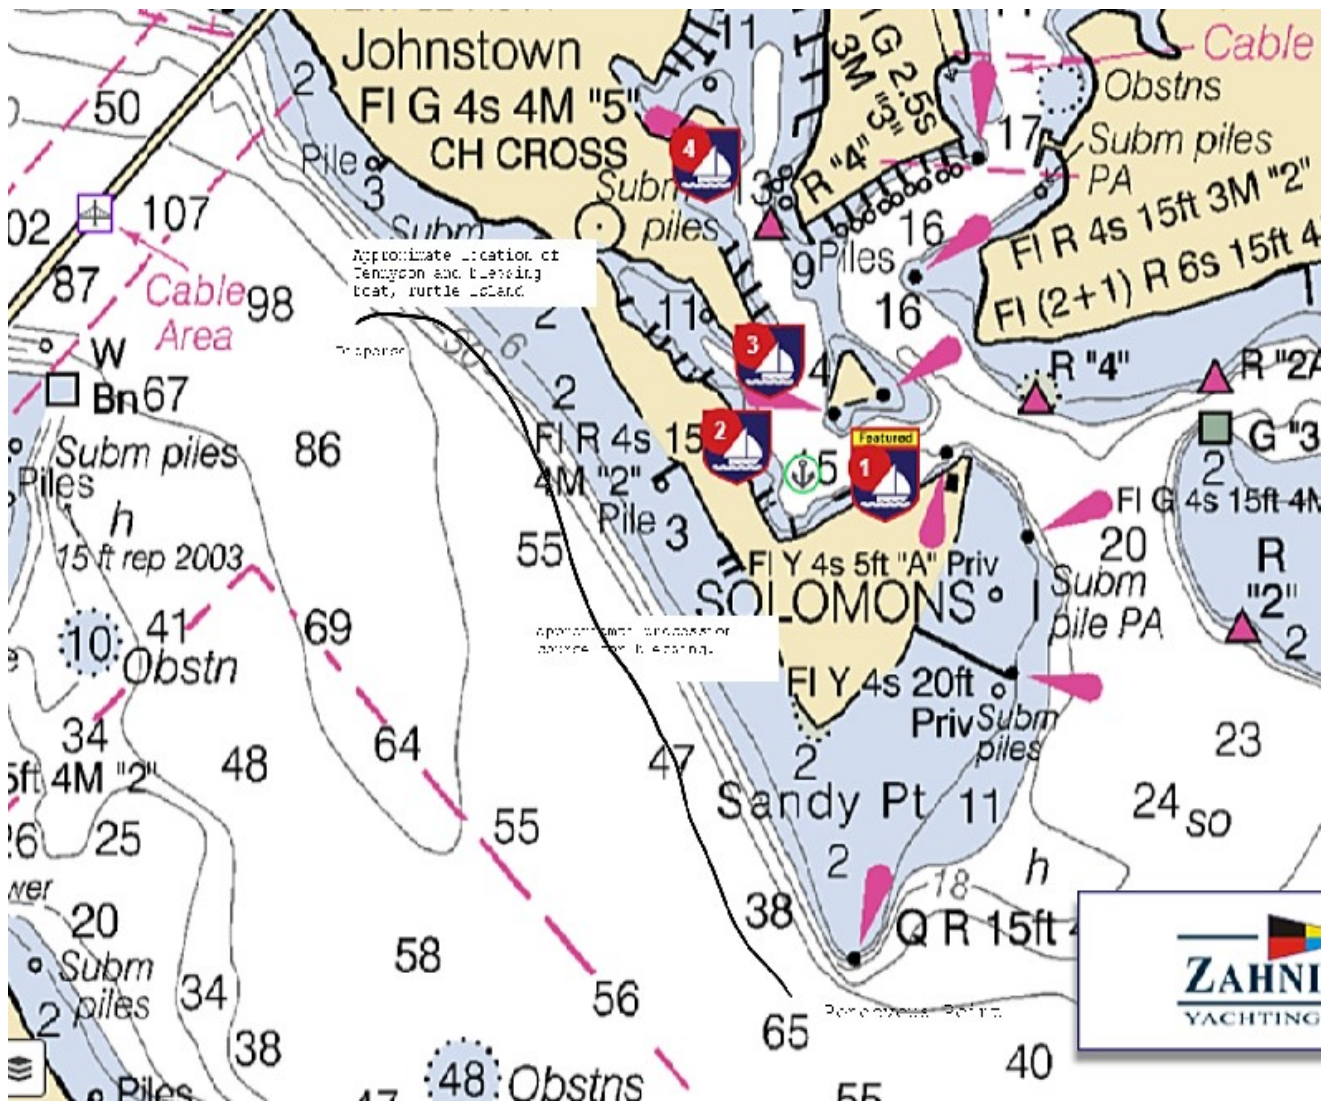

Opening day will soon be here. Once again, we'll have the blessing of the fleet immediately following the opening day ceremonies. Please sign up with Dennis for slips for that weekend so we can accommodate all those interested in spending the weekend at the Club.

Memorial Day weekend will be our first cruise of the year, the always popular Wicomico Opening Day cruise. We will also be hosting the West River YC that weekend.

BLESSING OF THE FLEET

The Solomons Island Yacht Club Blessing of the Fleet will occur on 19 May 2019 from approximately 1400 to 1600 hrs., Solomons Island waterfront on the Patuxent River. Boats to be blessed should form up at marker R 6A and when directed proceed in line to approximate Lat Long of 38.32337 – 76.46380. The participating boats will proceed past the Calvert Marine Museum Buy Boat, the Tension holding officers of SIYC and the M/V Turtle Island for the blessing of each boat. As each boat approaches M/V Turtle Island for the blessing, please announce the vessel's name and skipper. Communications will be on channel 68.

SOCIAL COMMITTEE REPORT

April we had a really interesting & informative presentation by Barbara Zeiller. Very colorful shots of her 3 last trips to Greece and Italy. She also gave us a lot of helpful hints on touring and picking guides. It was nice having the bar open upstairs again thanks to Lori & John Ford. This will be a regular thing, so you DON'T need to go downstairs to buy your drinks!! Thank you all for bringing your delicious appetizers to share.

May 6th Travel Presentation will be by Mike D'Errico on the Camino de Santiago Spain Pilgrimage. Mike walked the Camino in Spain along the most popular modern route, roughly from the French border in the Pyrenees in the Northeast to Santiago de Compostela in Galicia in the Northwest, a walk of about 500 miles across the northern tier of the country. It's one of many historical pilgrimage routes in Europe and has been in continuous use since the 800's AD. You basically walk from village to village.

He will be showing us pictures of his adventure. Please come join us Topside where we will have a BAR TENDER and please continue to Bring an Appetizer to Share If Possible.

June 3 - Betsy Cooksey - Outer Mongolia

July - There will be no Presentation due to the busy calendar of all our members.

August 5 - Rick Sass - His Antarctic Adventure.

Please continue to contact either me, Susan Smith (susanmogansmith@yahoo.com) or Bobbie Sass (bobbiesass@aol.com) to let us know when you are ready for us to schedule a presentation for you to share with the club members.

March Madness POTLUCK DINNER was a big hit. Judy & John Okay, Ruth & Curt Ott & Donna Taylor put on a fun event with games and prizes while watching the "Sweet Sixteen Teams" play, and we built our bracket for the "Elite Eight". No one was on target with the Virginia winners. There were 3 players who selected 2 of the Final Four teams, Peggy Whilden, Ruth & Curt Ott and Susan Smith. Contrats for getting close.

I want to thank Carol Snapp and her team for leading us in an afternoon of Texas Holdem. It is always a fun time. Our winners were 1st Place tie Greg Wanamaker and Pat Farrar, 3rd Place Hoot Gibson and 4th Place Kate Wilson.

The SIYC Spring Tiki Opening Dinner/ Dance Party was a big success. We danced to the sounds of the 60's, 70's & 80's with DJ Carlton from Dream Scope. As always they did a nice job and Carlton even jumped in for an impromptu dance with me (Susan Smith). It was videoed and pretty funny to watch. Everyone wore their best beachwear; Hawaiian shirts, skirts and Tiki Bar outfits. I must say we have some very creative people among us. Mark Tonacci was sporting a coconut bra and he just couldn't keep his hands off his chest. I think he might have been proud of his body that night!! We also had quite a few who joined in the Limbo and they were all very imaginative

on how they were getting under the bamboo pole. Marge and Paula once again made us a nice dinner to go with our theme and that great ice-cream sundae bar was over the top. They also had a most enjoyable Mai Tia drink that I know I had a couple of. Thanks to Pete, our bartender; he served quite a few of them.

John Simpson was kind enough to make me a "Willy T" Shot Board that he, Margie Dove and Larry Langfeldt demonstrated for us. Nobody argued when I asked them to toss down a shot of rum, 3 people at a time!!! You need to look for the board at the bar in the future and try it yourself.

We had a lot of Winners and I gave out \$350 worth of prizes from establishments in our area.

Our Winners were:

Door Prizes under the chairs :

Jane Crawford & Gary Knight - each won a large bag of Starbucks Coffee

Limbo Contest: Nancy Favor - Island Hideaway certificate & Mike Stanton - The Pier certificate.

Most Creative Outfit - Sharon Strausser - Maertens Fine Jewelry certificate & Mike Snapp - Jerry's Place certificate

Most Outrageous Outfit - Lucy Tonacci - Occasions Boutique (in Prince Frederick) certificate & Mark Tonacci - Buckets Sports Bar certificate

Best or Craziest Hat (since there were no crazy hair dos) Carol Snapp & Rick Sass each received from Great Clips a certificate for a Free Hair Cut and hair product .

Best Hawaiian Shirt - Lori Ford - Sushi Grill certificate and Tom Stoddard - Adams Ribs certificate.

Booby Prize - I always like to give one out, not to be mean, but out of love to acknowledge there is always one of us that just knows HOW TO HAVE FUN! Our winner was Bobbie Sass. When she did the Limbo she did it with a very graceful fall and a big laugh. She received a set of Shot Glasses for courage to keep practicing!! FYI, NO ONE GOT HURT IN THE LIMBO CONTEST.

I really need to thank my team of helpers that I would be lost without!

Remember everyone, this tournament is for FUN!!!!!! and prizes.
