## Commodore's Corner

It has been a busy summer, and the Fall looks like it will successfully compete. There are a number of noteworthy events that members should immediately note on their calendars:

Saturday, October 12 is the annual Volunteers Party. If you have helped out the club in any way this year, please come and enjoy the free appetizers and bar. Those who have tended bar are in the running for a number of prizes determined by the Rear Commodore. But win or lose, this is always a fun party.

Saturday, October 26 is the Johnny Seaton (Elvis) show. This is always a fun evening and you will be highly entertained.

Saturday, November 16 is the annual Commodore's Ball featuring Jennifer Cooper and GrooveSpan who entertained us the past two years. Invitations will be coming out shortly so please get your reservations back to the Vice Commodore so plans can be finalized. I would consider it an honor to see you all there.

Saturday, November 23 is the first ever Casino Night at the club. Since the previous weekend we saw you in your tuxedos, we will not ask that you dress formally. The way it works is that for a nominal entrance fee you will receive a number of chips to use during the evening's gambling activities. Whoever ends up with the most chips at evening's end will win a prize. It should be an extremely fun evening.

I'm sure the Rear Commodore will cover in detail many of the meals coming up. I just wanted to highlight some Fall weekend functions that are the height of entertainment during the next two months.

I cannot express how much your club leadership appreciates the assistance and dedication of so many of you who volunteer to help out. Thanks again. Your efforts are indeed appreciated.

## Vice Commodore's Corner

I would first like to thank all the members who came out to the 2019 General Membership Meeting. We had a great turn out followed by an awesome dinner. I would like to acknowledge our 2020 Line officers: incoming Vice Commodore, Brenda Knight; our incoming Rear Commodore, Patricia Healy-Catchings; our returning Fleet Captain, Anthony J. Baratta; our incoming Secretary, Diane K Townsend; and our incoming Treasurer, Timothy R. Wakeman. I would like to thank Kat Tyrrell, Art Kobrine, Regis Johnston, Robin Langfeldt, and Kate Wilson, our Incoming 2021 Board of Governors. I would like to thank Sue Stevenson, Bill King, and Charles Hayden, our 2020 Board of Governors Alternates, as well as all of our returning Board of Governors members. I personally look forward to working with each and everyone of you to make 2020 another awesome year at SIYC.

## Rear Commodore's Corner

In September, ten dinners were offered to Club members in spite of not having two Saturday night meals due to a hall rental and the Poker Run. Two of the ten meals were free to members, the Commodore's Crabfest and the annual membership dinner. Three special events, the Labor Day Picnic with Marge's fried chicken, Grill-Your-Own-Steak, and Fall Golf Dinner were all highly attended, delicious and enjoyed by all who attended. I'd like to thank Fleet Captain Tony Baratta, P/C Bob Kuzmick, Nancy Kuzmick, Kat Tyrrell and Jerry Budnick for making available the Grill-Your-Own-Steak dinner that was shared with visiting Indian Creek Yacht Club. Thanks to Social Committee Chair, Susan Smith's efforts for working with Ralph Swartwood to offer the Fall Golf Dinner of Chicken Cordon Bleu.

In October, the first meal on Wednesday, October 2, the newly formed Pasta Team headed by Monica Simpson, will present their first meal of spaghetti, meatless marinara and meat sauce, Italian sausages, Italian bread with olive oil, salad and dessert for \$10.00. The Pasta Team is working hard to provide members with a delicious meal. Another special event is the Social Committee's Chili Cook Off on Sunday, October 6. Please let Susan Smith know if you have a chili recipe you'd like to enter. Bring your chili to the Captain's Lounge by 5:00 PM. The chili will be judged on Smell, Thickness, Color, Flavor and Aftertaste. There will be an award given to the 1<sup>st</sup> through 4<sup>th</sup> Place and Best Name given to the Chili winners. Do not place your name on the chili, but give it a name instead. It's been previously advertised as the PRAD and Chili Cook Off, but we received notice that beginning this year there will no longer be a PRAD parade. We should not need to post gate guards since there is no parade and the remaining PRAD events are being held at the Calvert Marine Museum.

There are five sign up events in October. The first is the October BOG Meeting dinner on October 5 at 7:00 PM and Marge is preparing Sweet Bourbon Salmon, wild rice, asparagus, salad, rolls, dessert and coffee for \$20.00. The second is the Volunteer Party on October 12 at 6:00 PM. If you've volunteered at the Club this year you are invited to attend this free event. Marge is providing heavy hors d'oeuvres that include shrimp cocktail, cherry-pecan brie, beef filet topped with crab meat and Béarnaise sauce drizzled on top, shrimp stuffed with bleu cheese, beer dip with pretzels, vegetable tray, maple glazed meatballs, tortellini salad, crab dip with baguettes and fried ravioli with marinara sauce. The third sign up event on October 12 at 9:00 AM is headed by House Chair, Rick Sass to refurbish the picnic tables outside the Captain's Lounge. Please bring an electric sander if possible. The fourth is the Johnny Seaton show on October 26 sponsored by Susan Smith. Dinner begins at 6:00 PM and Johnny Seaton will begin singing at 7:00 PM. Marge is serving pot roast, mashed potatoes, carrots, salad, rolls, dessert and coffee for \$35.00. The fifth event is the Halloween Party on October 30 at 6:00 PM and Marge is preparing a special ghoulish meal of bat wings, hunters stew, fall dip, wigglin' worm salad, leg bone breadsticks, orange praline mini mummies, pumpkin snack mix and dessert for \$12.00.

I'd like to thank SIYC members for your attendance and support of the Club by attending the monthly functions. As P/C Bob Kuzmick would say, "It's your attendance that keeps our club functioning."

## Fleet Captain's Corner

Before I launch into a summary of the year, there are a couple of items of interest to those who will be cruising the Bay and heading South this winter.

First, I learned that there will be dredging in the eastern approach to Knapp's Narrows now until mid-November. Secondly, there are new regulations for boats transiting Georgia waterways concerning anchoring and pump out. If you anticipate making the trek south, I suggest you check the Waterway Guide website and search on Georgia regs.

As September comes to a close, we still have intense interest in transient visits to SIYC. In late September we had members of the Rotary Yacht Club of the Chesapeake join us. On October 11<sup>th</sup> and 12<sup>th</sup>, we will have the Corinthian Yacht Club visiting us for PRAD.

This was a fantastic year for the pier and for cruises. Thanks to the devoted effort of the Pier Committee lead by Dennis Chandler, we managed to have an excellent year with transient income likely to equal or exceed that of last year. Dennis will provide more details in his report. The members of the Committee include, Dennis Chandler, Chairman, Dennis Lawson, Al Redfield, John Ford, John Simpson, Don Kilpatrick, Jim Shepherd, Gary Heal, Mark Tonacci, and Nikki Goodman. A special thanks for Mike Redshaw who handles the billing and contracts for the annual and seasonal rentals.

The Committee provided superb support for transients, meeting them when they came in, getting them signed in, collecting the fees and answering questions about Solomons and the Club. Many of you may not realize that each week a different person was on call to meet incoming boats.

Thanks to Dennis, this took a significant burden off of me and enabled us to work towards current and future improvements.

More about that in the pier report.

We had a full schedule of cruises including a visit to the Cambridge Yacht Club, the first time in many years. All of the scheduled cruises were successful with good participation by all. As a reminder, we have three remaining activities, the Cruise to Wicomico for their annual crab feast on September 20-21 followed by the Poker Run on September 28<sup>th</sup>. We, of course, will have the light parade in early December.

I want to extend a special thanks to Al Redfield and Doug Smith. Al was instrumental in getting additional pedestals installed on the pier and in providing help getting contractors in to make repairs when needed. Doug was very active in attracting Loopers to the Club including three from Australia. In addition to providing income, these folks had fascinating stories to tell. The American Great Loop Cruising Association has a blog and if you get a chance, take a look at it and the very nice comments made by the loopers who visited the Club.

Finally, a bit of housekeeping and some requests. We hope that everyone knows you can bring your boat to the Club for Club events at no charge. You also get two overnights per quarter at no charge. I would ask, though, that you check with Dennis or myself to get a slip assigned so that there's no conflict either amongst members or with transients. Unfortunately, we have had several instances this year where this has happened.

## Fleet Captain's Corner

(cont'd.)

We have had an issue with people leaving their AC/heat on when they aren't onboard. Our rates assume minimal electric most of the time. If you need to leave the AC/heat on please consider a voluntary donation to help the Club defray the cost.

I will also be looking for new cruise leaders for next year as some of our current cruise leaders have expressed a desire to move on. I'd also appreciate suggestions for new cruises. Please let me know of any that would be of interest to you. I am in the process of making arrangements for a cruise to the Miles River YC near St. Michaels.

Finally, I am looking for new photos for the Veteran's Day Celebration. If you've already submitted one you need not do it again as I have retained them for reuse. If you have a new one to add, please email them to me.

## Fleet Surgeon's Corner

AED How In the World Do I Use It !

I am working on a demonstration with a Red Cross instructor. We are thinking Taco Night or Monday Pot Luck Travel Night. Let any BOG member, Susan Smith or me know your preference. We will schedule it with the majority of responses. Emalie

## ***Welcome The Maryland Dove As She Visits SIYC Twice In September***

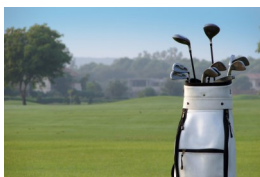

The *Dove* teaches us about Maryland history. She is a re-creation of a late 17th century vessel commemorating the *Dove* of 1634, which accompanied Lord Baltimore's original expedition to Maryland. A few times each year the *Maryland Dove* travels away from St. Mary's City for outreach visits to other ports.

Captain Will Gates (right) spoke to SIYC members on The Maryland Dove's topside Sept. 11. The sun set over The Dove after the crew enjoyed Marge's Shrimp and Grits. The crew gathered the next morning and prepared for a sail. The Maryland Dove sailed away from SIYC the following morning, Sept. 12, on its way to St. Michael's.

**Brain Teaser :** Small boats, five guests in each; stale on land but never on water; busy during the day time, anchored at night. What am I?

The first person to give Susan Smith [susanmogansmith@yahoo.com](mailto:susanmogansmith@yahoo.com) the correct answer gets a bar chip for a drink!

Answer will be in next months Solomon Sez.

September's WINNER was Max Munger.

The question was: Forrest left home running. He ran a ways and turned left, ran the same distance and turned left again, ran the same distance turned left again. When he got home, there were two masked men. Who were they?

The Answer was: The catcher and the umpire.
